FOR IMMEDIATE RELEASE

CIRRUS HEALTH PARTNERS WITH THOUSAND OAKS SURGICAL HOSPITAL

Trophy Club, TX. – March 29, 2006 – Cirrus Health, a premier healthcare development and management company, announced today their partnership with Thousand Oaks Surgical Hospital physicians to continue delivering quality surgical care.

“Cirrus Health is honored to partner with the physicians of Thousand Oaks Surgical Hospital,” stated Tim Parris, chief executive officer for Cirrus Health. “We look forward to providing the dedicated physicians of Thousand Oaks Surgical Hospital the support and resources they need to continue delivering high-quality care to their patients well into the future.”

Thousand Oaks Surgical Hospital recently celebrated its one year anniversary and this new partnership is committed to continue delivering premier patient care. In Thousand Oaks Surgical Hospital's first year of service they have provided over 3000 patients with care and 93 % of those patients surveyed agreed the care they received was excellent in clinical care and hospitality. The combined experience of the local physicians and Cirrus Health provides excellent community insight and industry experience to provide high quality, efficient and safe care to a broad spectrum of patients

“The physicians and staff of Thousand Oaks Surgical Hospital are excited about its partnership with Cirrus Health,” said Dr. Melvin Hayashi, chairman and co-founder of Thousand Oaks Surgical Hospital. “Cirrus Health shares our commitment to providing the best in patient care to our community.”

Thousand Oaks Surgical Hospital provides a full range of multi-specialty inpatient and outpatient services, including orthopedics, gynecology, general surgery, neurosurgery, plastic surgery, urology, podiatry, anesthesiology, pain management, ear, nose and throat surgery as well as limited medical services.

Thousand Oaks Surgical Hospital is located at 401 E. Rolling Oaks Drive near Moorpark Road and Highway 101. The 50,000 square foot facility hosts six operating suites, one cystoscopy suite and 21 spacious, private overnight rooms.
