FOR IMMEDIATE RELEASE

CIRRUS HEALTH APPOINTS CRAIG CORLEY DIRECTOR OF FINANCE AT THOUSAND OAKS SURGICAL HOSPITAL

Thousand Oaks, California... Cirrus Health, a premier healthcare and management company, today announced the appointment of Craig Corley as director of finance over their Thousand Oaks Surgical Hospital located in Thousand Oaks, California. Corley will oversee all financial operations of the short-stay hospital.

“I am excited to have joined the Thousand Oaks Surgical Hospital team,” Craig Corley said. “The commitment of the physicians and the staff to operate a facility dedicated to the highest quality of patient care is evident. I am looking forward to contributing to the long-term success of Thousand Oaks Surgical Hospital.”

Prior to joining Thousand Oaks Surgical Hospital, Corley served as controller for Valley Presbyterian Hospital in Van Nuys, California. He was responsible for general accounting, budget and payroll, and government reimbursement. Corley is a certified public accountant and a member of the Healthcare Financial Management Association.

“With years of financial experience in the hospital industry, Craig will play an important role at Thousand Oaks Surgical Hospital,” stated Cheryl Shaw, senior vice president of people development for Cirrus Health. “He has the expertise and knowledge to provide Thousand Oaks strong financial guidance and maintain financial integrity.”

Thousand Oaks Surgical Hospital is located at 401 E. Rolling Oaks Drive in Thousand Oaks, California. Cirrus Health partnered with the 50,000 square-foot Thousand Oaks Surgical Hospital in April 2006. The facility boasts 6 operating suites, 1 cystoscopy operating suite, 8 pre-operative rooms, 13 post-operative rooms, 6 private recovery rooms and 21 private overnight rooms. Services offered by the hospital include anesthesiology, ear, nose, and throat, general surgery, gynecology, neurosurgery, ophthalmology, orthopedics, pain management, plastic surgery, podiatry, spinal surgery, sports medicine, joint surgery, and urology.
